Joe A. Taylor hereby petitions the Public Service Commission of South Carolina ("Commission"), pursuant to 26 S.C. Reg. 103-836 and other applicable rules and regulations of the Commission for permission to intervene in the above-captioned docket. In support of this Petition, Mr. Taylor would show the following:

1. I reside at 105 Laurel Drive, Graniteville, SC 29829. My home is served by Avondale Water System ("Avondale").
2. I represent myself in this proceeding.
3. In this proceeding, the Commission will determine whether to adjust downward the retail rates and charges for Avondale.
4. I am a residential customer of Avondale. My position in this docket is that the increases sought and currently approved will have a detrimental effect on my personal financial position.
5. As a residential customer, my intervention will aid the commission by assisting in the development of a full and fair record to address the issues raised in this proceeding. I have a direct and material interest in the issues to be addressed and resolved by the Commission in this docket and my interests are not adequately represented by the current parties to this proceeding.
6. I am informed and believe that granting my request to be made a party of record in the above-captioned proceeding is in the public interest, is consistent with the policies of the Commission in encouraging maximum public participation in the issues before it, and should be

allowed so that a full and complete record addressing the views and concerns of myself can be developed.

7. The time required for my presentation is thirty (30) minutes.

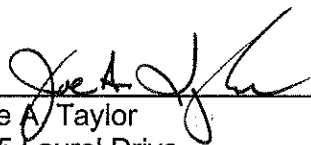

WHEREFORE, I pray for the following relief:

A. That this petition to intervene be granted by the Commission and that I be made a formal party of record to the proceeding;

B. That I be allowed to participate fully in this proceeding and to take such positions that I deem advisable; and

C. That such other and further relief be granted as is just and proper.

Dated this 25 day of August, 2009.
